

FAZAIA MEDICAL COLLEGE AIR UNIVERSITY

TO WHOM IT MAY CONCERN

This is to certify that **Mr. Hammad Ali**, student of Computer Science Department, AIR University Islamabad has been a part of the development side of a Research & Development project known as "CogQuest", an application designed and developed for Digital Screening & Assessment of Post COVID-19 Cognitive Impairment.

He was holding the position of **Internee** (Mobile Application Development) from June to September 2023.

He was upfront in problem solving and has shown dedication towards the project assigned by the Department of Community Medicine, Fazaia Medical College. We are confident that wherever his endeavors take him, he will do great.
